TOWN OF CENTER HARBOR
TOWN MEETING
March 10, 2009

Ballot Clerks Barbara Lauterbach, Helen Heiner and Rachel Small were sworn in and it was announced that the time for accepting absentee ballots would be 1:00 P.M.

The March tenth, two thousand nine Town Meeting was called to order at ten of the clock in the morning by Moderator John Kimball II, who announced the polls to be open to act upon Article 1.

At 1:00 P.M. the absentee ballots were accepted. The polls were closed at 6:00 P.M. and the ballots were tallied.

Article 1-A. All town offices and school board members for the year ensuing were voted on, with the following results:

Selectman for 3 years:

Randy Mattson	158 votes
Diane Kline	2 votes
Bob Beem	2 votes
Vincent Schonarth	1 vote
Elwin Norton	1 vote
Everett Bennett	1 vote
Jeff Zeiglar	1 vote
J. Smith	1 vote

Treasurer for 1 year:

Jeannie L. DeGrace	154 votes
George Hooper	1 vote

Tax Collector for 1 year:

Ellen D. Burns	123 votes
Jeannie L. DeGrace	61 votes

Town Clerk for 1 year:

Sheila Mohan	157 votes
Janet Kimball	12 votes
Robin Woodaman	1 vote

Trustee of Trust Funds for 3 years:

Diane C. Drenkhahn	165 votes
Bob Heath	1 vote
J. Smith	1 vote

Trustee of Trust Funds for 1 year:
Peter A. Michaud 165 votes

Library Trustee for 3 years:
Bess G. Hanson 172 votes

Library Trustee for 2 years:
Karin Swanson Karagozian 167 votes

Moderator for the School District for 1 year:
Lee W. Quimby 168 votes

Member of School Board for 3 years – Resident of Meredith:
Lisa A. Merrill 72 votes
Barbara F. Clark 68 votes

Member of School Board for 3 years – Resident of Center Harbor:
Julian M. Shlager 88 votes
Carol A. Baggailey 82 votes

Member of School Board for 3 years – Sandwich Resident:
Daniel Cunningham 135 votes

(Submitted by Petition) Shall we adopt the provisions of RSA 40:13
(known as SB 2) to allow official ballot voting on all issues before the
Inter-Lakes School District on the second Tuesday of March?

66 YES Votes 84 NO Votes 24 Non Votes

Article 1-B. To see if the Town will vote to adopt Amendment 1-B as proposed by Petition, for the Town Zoning Ordinance, to replace Section 9:4 paragraph 3 with the following, “Boat houses located in or over the water, including dredged inlets, will not be approved. (See Section 2 Definitions)”. The Planning Board vote was three (3) in favor and three (3) opposed to recommending this Petitioned Article.

86 YES votes 94 NO votes

Article 1-C. To see if the Town will vote to change the term of the town clerk from one (1) year to three (3) years, beginning with the term of the town clerk to be elected at next year’s regular town meeting.

129 YES votes 55 NO votes

Article 1-D. To see if the Town will vote to change the term of the town tax collector from one (1) year to three (3) years, beginning with the term of the town tax collector to be elected at next year's regular town meeting.

119 YES votes

64 NO votes

Article 1-E. To see if the Town will vote to change the term of the town treasurer from one (1) year to three (3) years, beginning with the term of the town treasurer to be elected at next year's regular town meeting.

118 YES votes

65 NO votes

At 7:40 P.M. the Town Meeting was reconvened in the Fire Station to act upon Article 2 through 34. The Moderator, John Kimball II, called the meeting to order with the Pledge of Allegiance. Mr. Kimball announced that the 2009 Town Meeting was dedicated to Aaron Smith and Lew Woodaman, two citizens of Center Harbor who passed away this year; both gave multiple years of their time and energies to make Center Harbor what it is today.

Mr. Kimball announced that this is Part II of the Election. We gather as neighbors and friends to support our elected officials in the operation and management of our town. Mr. Kimball said that this forum offers every citizen the opportunity to express his or her opinion on the Warrant Articles presented. Mr. Kimball explained the procedure for voting on the Articles. He then asked if there were any requests for secret ballots. Receiving none, Mr. Kimball began with the reading of Article 2.

Article 2. It was moved by Randy Mattson and seconded by Charley Hanson to raise and appropriate \$689,628 to defray the Town charges for the ensuing year. (\$675,204 appropriated in 2008). Ms. Mattson corrected the \$675,204 figure in parenthesis to \$660,199. Eric Strapp asked how much was spent on this appropriation in 2008. Ms. Woodaman calculated \$660,638. The Article passed by majority vote.

Article 3. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$485,000 for the replacement of the High Haith Bridge with \$424,000 to be funded by the State of New Hampshire Department of Transportation and the balance of \$61,000 to be funded by general taxation. This will be a non-lapsing appropriation per RSA 32:7,VI and will not lapse until the project is completed or by December 31, 2014, whichever is sooner. The Selectmen recommend this appropriation. (Majority vote required). Charley Hanson motioned to amend this Article to replace the current Article with, "To see if the Town will vote to raise and appropriate the sum of \$563,872 for the replacement of the High Haith Bridge with \$487,097 to be funded by the State of New Hampshire Department of Transportation and the balance of \$76,775 to be funded by general taxation. This will be a non-lapsing appropriation per RSA 32:7,VI and will not lapse until the project is completed or by December 31, 2014, whichever is sooner; the Selectmen support this appropriation. David Johnson seconded this motion. Duke Kline asked what accounted for the increase.

Mr. Hanson explained that after the engineer designed the bridge the Selectmen received some additional design information and the engineer felt that the Selectmen should increase the appropriation even though they think that it will come in less than that. This is so that we can get all of the funding necessary from the State of New Hampshire. Mr. Hanson added that we will be applying for, and according to our engineer we are very good candidates to receive something from the ARRA Recovery Act Federal Program. The Selectmen are going to a meeting on Friday, March 13th to see about additional money on top of the 80% match provided by the State. The State has assured the Town that the money will be coming to the Town. Jean Murphy said that she hasn't even heard the plan yet. Mr. Hanson said that there was a hearing back in November or December on the proposed general plan. Mr. Hanson said that essentially the bridge will be placed as it is now to maintain the character. The vote was 74 votes in favor of the amended amount and 1 vote opposed. The motion carried.

Article 4. It was moved by Richard Drenkhahn and seconded by Charley Hanson to create an Expendable Trust fund under the provisions of RSA 31:19-a, to be known as the Town Buildings & Maintenance Expendable Trust Fund, for the purpose of repairing and maintaining municipally owned buildings and to raise and appropriate the sum of fifty thousand dollars (\$50,000) for this fund and to appoint the Selectmen as agents to expend from this fund. Recommended by the Selectmen. (Majority vote required). The vote was unanimously in favor.

Article 5. It was moved by Randy Mattson and seconded by Charley Hanson to raise and appropriate \$355,272 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$34,116 to be paid from State Highway Block Aid, the balance of \$321,156 to be raised by taxes. (\$353,060 appropriated in 2008). The vote was unanimously in favor.

Article 6. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$100,000 to be placed in the existing Capital Reserve Fund for the purpose of construction of a sand/salt storage shed. (\$25,000 appropriated in 2008). Recommended by the Selectmen. Jean Chute asked if this was the year to put \$100,000 into the existing Capital Reserve Fund when so many of our residents are having difficulty making their tax payments. Charley Hanson said that it was a good question and he can understand why Ms. Chute would ask this question. Mr. Hanson explained that we have an uncovered sand/salt shed and salt has been leaching out; this is also a safety issue for the Highway Department. Mr. Hanson said that although this is a trying time economically it is also an opportunity because construction costs are coming down. If we could get this project done this year this fund would be closed. Duke Kline agreed that \$100,000 was a lot at this time. Mr. Kline made a motion to amend this article to \$25,000 not \$100,000. Eric Strapp seconded this motion. Mr. Kimball re-read the Article with the \$25,000 amount. The vote on this amendment was 36 votes in favor of the amendment and 46 votes opposed. The amendment was defeated. The vote on Article 6 as printed in the Warrant was 55 votes in favor and 23 opposed. The Article passed.

Article 7. It was moved by Richard Drenkhahn and seconded by Charley Hanson to change the purpose of the existing Loader/Backhoe Capital Reserve Fund to the Highway Department Truck or Equipment Capital Reserve Fund. (2/3 vote required). (\$20,000 appropriated in 2008). Recommended by the Selectmen. David Schimke wanted those present to know that Article 7, 8, and 9 bounce off of one another and asked for an explanation. Richard Drenkhahn explained that other equipment is getting old and the Highway Department thought that it would be best to have the ability to spend the money to repair or improve upon anything that may break down before the backhoe is needed. By doing this, it would become a combined fund, and then the Selectmen would ask for \$30,000 to go into Loader/Backhoe Capital Reserve Fund and table Article 9. Eric Strapp asked, "Is capital repairs?" Mr. Drenkhahn replied that this would purchase equipment not repair it. The vote was 42 in favor and none opposed. The Article passed.

Article 8. It was moved by Randy Mattson and seconded by Ron Ulm to raise and appropriate the sum of \$30,000 to be placed in the Highway Department Truck or Equipment Capital Reserve Fund and to appoint the Selectmen as agents to expend from this fund. This article is contingent on the passage of Warrant Article 7. (\$30,000 appropriated to the Backhoe/Loader Capital Reserve Fund in 2008). Recommended by the Selectmen. This Article passed.

Article 9. Charley Hanson motioned to table this Article. John Schoenbauer seconded this motion. The vote was unanimously in favor.

Article 10. It was moved by Richard Drenkhahn and seconded by Ron Ulm to raise and appropriate the sum of \$248,665 for the operation of the Police Department. (\$233,826 appropriated in 2008). Jean Meloney asked why the difference. Chief Mark Chase addressed this. Chief Chase explained that there are three differences this year. The biggest difference is a fuel increase of \$4500. The second difference is, there are fifty-three pay weeks this year and the third is an extra two hours for the Police Department Secretary. Everything else is the same. The vote was unanimously in favor.

Article 11. It was moved by Randy Mattson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$20,000 to be placed in the existing Capital Reserve Fund for the purpose of purchasing a fully equipped police cruiser. (\$20,000 appropriated in 2008) Recommended by the Selectmen. This Article passed.

Article 12. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$138,899 for the maintenance of the Center Harbor Fire Department. (\$130,750 appropriated in 2008). Recommended by the Selectmen. David Hughes made a motion to amend this Article to raise and appropriate the sum of \$155,899 for the maintenance of the Center Harbor Fire Department. \$13,000 to the Chief's Salary account to raise him to thirty-two hours a week instead of the twenty-four that is scheduled, \$3500 for the training line item and \$500 increase in the medical line item. Lee Woodworth seconded the amendment. David Hughes said that originally when this budget was brought to the Selectmen the Chief was looking for 36 hours to work. He is currently working 20 hours a week. Mr. Hughes said that the

agreement at that time was 32 hours; then when the budget was put together for the Town it was cut down to 24 hours a week. Mr. Hughes said that the Chief has a lot of paperwork and a lot of inspections that he is not being able to cover. Mr. Hughes said that the Chief is putting in a lot of volunteer time, which is not appropriate. Mr. Hughes said that the number that he crunched was about a \$17,000 increase and would put him on a pay scale with other Chiefs in the area. There is also a \$3500 increase in the training line item. Mr. Hughes said we have gone to 26 or 28 members at this time, of which 14 are EMTs, this requires a lot of continuing education. There is a \$500 increase in the medical supply line item. Mr. Hughes said that if you have more EMTs you need more supplies. Diane Drenkhahn asked Mr. Hughes if the \$15,000 included benefits, FICA etc. Mr. Hughes said that it was a gross figure. Mrs. Drenkhahn asked at what point is there a cut-off for a person to get full time benefits versus a part-time person. Mr. Hanson answered, "Thirty-five hours. We are working on the Personnel Policies now." Mr. Hanson explained, for clarification, that when the Selectmen were first discussing the budget the Chief had proposed 32 or 34 hours, but the Board of Selectmen decided as they looked across all departments that they would increase what was 20 hours up to 24 hours; certainly recognizing that we do have an increase in personnel in the department. The vote on the amendment was 30 votes in favor of the amendment 44 votes opposed. The amendment was defeated. The Article, as written in the Warrant, passed.

Article 13. It was moved by Richard Drenkhahn and seconded by Charley Hanson to raise and appropriate the sum of \$20,000 to be placed in the exiting Capital Reserve Fund for the purpose of purchasing a Fire Department engine or rescue vehicle. (\$25,000 appropriated in 2008). Recommended by the Selectmen. This Article passed.

Article 14. It was moved by Randy Mattson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$23,500 for the completion of the fire hydrant system from the Town Beach on Lake Street to Main Street in front of the Fire Station. \$11,065 to come from the unreserved fund balance and \$12,435 is to come from general taxation. (Majority vote required). David Schimke asked how long this has been in the act of trying to get the fire hydrant from there to here; if it is an ongoing project and we haven't had it for a number of years, could we put this off until the economy changes? Mr. Schimke said that he feels that it is important to have fire trucks and police cars but if we are talking money that could be delayed for a fire hydrant from there to here and the rest of the town has nothing, we should all be in the same pot. Fire Chief Schlemmer said that the hydrant was put in by Ken Ballance almost fifteen years ago. Last year we spent approximately five thousand dollars and put a draft pipe into the lake. Chief Schlemmer said that what he proposes to do is connect the other side of Route 25, by the Center Harbor Inn up to Lake Street, by the ice rink, and down to the draft hydrant so that water can be pumped up to Main Street without closing Route 25. As far as the rest of the Town goes, this year we did an extensive study and mapped the entire Town for water sources. We have seven operational hydrants in Town now. We are looking to do a joint deal with New Hampton at the bridge and one at the High Haith Bridge project. Chief Schlemmer said that the goal is not to have a hydrant at every corner but for relatively cheap money we could put hydrants in strategic locations. Eric Strapp asked if this money was for anything other than extending the hydrant. Chief Schlemmer answered

that this money would be strictly for this hydrant; there is some grant money to put hydrants around town. This Article passed with a majority vote.

Article 15. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$25,000 to be placed in the existing Capital Reserve Fund for the purpose of design and construction of a Public Safety Facility. (\$50,000 appropriated in 2008). Recommended by the Selectmen. Dan Murphy asked what a Public Facility is. Charley Hanson explained that it could be a police station, fire station or a combination; any building used to house public safety apparatus and personnel. Mr. Hanson explained that we have a building committee that has been looking at designing and implementing a new police station. Their purpose is two fold, one to locate where this building would go and second to come up with a design. Mr. Hanson said that there is a preliminary design and layout in the back of the room. The motion carried.

Article 16. It was moved by Richard Drenkhahn and seconded by Charley Hanson to raise and appropriate the sum of \$18,000 for the purpose of creating a Natural Resource Inventory. \$10,803 to come from the Land Use change Tax Fund collected in 2008 and \$7,197 to come from the unreserved fund balance. Eric Strapp asked if this meant no new money. Mr. Drenkhahn answered, "That is correct." Elwin Norton asked what the Natural Resource Inventory is and what is the Land Use Change Fund. Randy Mattson explained that the State requires Conservation Commissions to have an inventory of all of the natural resources in the town. Ms. Mattson said that the Land Use Change Tax Fund is a fund that the Town Meeting created in 1994. It takes the Land Use Change Tax penalty money and puts it into a specific fund that the State allows a municipality to have. At the end of each year the Town must decide how to spend these funds or they go into the General Fund. This year the Selectmen are suggesting that \$10,803 be put toward this project. Code Enforcement Office Ken Balance said that this will allow a professional to come in and make a detailed map of the wetlands; this is important to get done. The Article passed by majority vote.

Article 17. It was moved by Randy Mattson and seconded by Charley Hanson to raise and appropriate the sum of \$22,000 for Phase 1 of updating the Town's Mater Plan. \$22,000 to come from the unreserved fund balance. The Article passed by majority vote.

Article 18. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$12,000 for the purpose of hiring a Circuit Rider Planner. \$12,000 to come from the unreserved balance. Charley Hanson explained that this article was developed in the Planning Board. The Planning Board was approached by the Town of Moultonborough to see if we would share a part time planner with them. The Planning Board did not want to commit to another community. The Lakes Region Planning Commission has a service that would allow us to hire a temporary planner. The Selectmen budgeted for two days a month to work with the Planning Board to see how it will work out. Elwin Norton said that we would be paying \$500 a day for this planner; if we vote this in would this be an ongoing expense? Mr. Hanson said that the Planning Board has had no experience with this; the Planning Board may find that

they only need this person every two months or on an as needed basis. The consensus of the Planning Board at this time is that we pursue a professional. The figure of \$12,000 contains an extra \$2,000 that was added as a contingency. Lee Mattson said that Lakes Region Planning Commission will bill the Town \$50.00 an hour; if there is no work done the Town will not be billed. David Schimke asked if this should be amended to a one year experience; if this works well we can do it again. Mr. Hanson said that this is an appropriation for just this year; as this is a new appropriation for the Planning Board it would come back next year as a separate warrant article. The Article passed.

Article 19. It was moved by Richard Drenkhahn and seconded by Ronald Ulm to raise and appropriate the sum of \$165,105 for the disposition of Solid Waste. (\$158,950 appropriated in 2008). The Article passed.

Article 20. It was moved by Randy Mattson and seconded by Helen Heiner to raise and appropriate the sum of \$88,272 for the operation of the James E. Nichols Memorial Library (\$86,263 appropriated in 2008). David Schimke said that last year a representative of the Library explained that there was a one time charge of \$5,000 to sand blast the Library. Mr. Schimke said that if it was a onetime charge then we should figure \$83,000 for the Library. Library Trustee Helen Heiner asked if Sarah Heath, the Library Treasurer, could address those figures. There were no objections. Ms. Heath asked everyone to look on page 46 of the Town Report; the Library Annual Report is on that page. Ms. Heath said that at the end of the year the Library returned \$7,731.67 to the General Fund. The Trustees had looked into sealing the building and decided that they could not afford it. Ms. Heath said that the worst thing that happened to them last year was the oil bill. They had appropriated \$3500 and it cost them \$6000. Also, they have gone to a custodial service which is an additional expense. The Article passed.

Article 21. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$54,468 for the purpose of providing ambulance service to the Town. (\$52,968 appropriated in 2008). The Article passed.

Article 22. It was moved by Richard Drenkhahn and seconded by Charley Hanson to raise and appropriate the sum of \$61,850 for Parks and Recreation. (\$49,950 appropriated in 2008). Carrie Lowell asked what the increase was for. Richard Drenkhahn responded that \$7,500 was for applied weed control, \$3,000 for an increase in hours for the Director, \$1,500 for printing and advertising. Mr. Drenkhahn said the Director has created a new website for Parks & Rec. The Article passed.

Article 23. It was moved by Randy Mattson and seconded by Brian Kennedy to raise and appropriate the sum of \$20,630 for Patriotic Purposes including Fourth of July activities. (\$18,280 appropriated in 2008). The Article passed.

Article 24. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$9,721 for the Center Harbor Town Band concerts. (\$7,700 appropriated in 2008). The vote was unanimously in favor.

Article 25. It was moved by Richard Drenkhahn and seconded by Brian Kennedy to raise and appropriate the sum of \$14,000 for Direct Welfare. (\$14,000 appropriated in 2008). Eric Strapp questioned why direct welfare in a year of economic disaster was not increased. Richard Drenkhahn explained that if the number goes over \$14,000 we still have to come up with it. Diane Drenkhahn asked how much was spent last year. Ms. Woodaman answered, “\$13,979.” The Article passed.

Article 26. It was moved by Randy Mattson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$1,250 for support of Emergency Management. (\$2,950 was appropriated in 2008). Kirk Meloney asked what the Emergency Management was and why it is separate from the other budgets. Charley Hanson explained that towns have emergency events such as floods and you need to have an Emergency Management Director, which is a volunteer position. The Emergency Management Director is a liaison between the on the ground people as well as the State to try to facilitate the flow of resources to where they are needed. The vote was unanimously in favor.

Article 27. It was moved by Charley Hanson and seconded by Richard Drenkhahn to raise and appropriate the sum of \$1,050 for Center Harbor’s share of the operation of the Red Hill Fire Tower. (\$1,050 appropriated in 2008). The vote was unanimously in favor.

Article 28. It was moved by Richard Drenkhahn and seconded by John Schoenbauer to raise and appropriate the sum of \$500 for the Centre Harbor Historical Society. (\$500 appropriated in 2008). The vote was unanimously in favor.

Article 29. It was moved by Randy Mattson and seconded by Helen Heiner to raise and appropriate the sum of \$38,252 for the support of the following health and welfare agencies (\$37,063 appropriated in 2008):

<u>Agency</u>	<u>2009 Request</u>	<u>2008 Appropriation</u>
Meredith Public Health	\$12,201	\$12,201
Winnepesaukee Wellness Center	\$ 6,000	\$ 4,000
Community Action Program	\$ 8,400	\$ 8,400
Child & Family Services	\$ 3,500	\$ 3,500
Inter-Lakes Day Care	\$ 4,662	\$ 4,662
New Beginnings	\$ 1,000	\$ 1,000
American Red Cross	\$ 489	\$ 1,000
L.R. Community Services		\$ 300
Genesis	\$ 1,500	\$ 1,500
CASA	<u>\$ 500</u>	<u>\$ 500</u>
Total	\$38,252	\$37,063

David Schimke said that he is not in favor of this method. Mr. Schimke asked if there was someone from the Winnepesaukee Wellness Center that could speak to the \$2,000

increase in their request. Randy Mattson said that this request came directly from the Wellness Center and we have a number of residents that use this service. Bess Hanson said that she uses the Wellness Center. Mrs. Hanson said that they have to pay rent there. She highly recommends it for a lot of people. Charley Hanson referred everyone to page 82 of the Town Report. The Report of the Winnepesaukee Wellness Center gives statistics for use of the Center and explains the need for the increase in appropriation. Ellen Burns said that this is part of LRGH but each facility is responsible for most of the money that they need. Mr. Schimke said that we shouldn't be paying for their problems. Ken Ballance said with respect to Mr. Schimke we have just spent \$20,000 for fireworks that last 45 minutes; this is something that helps people all through the year. Helen Heiner said that she has worked in the health care industry for many years and this does a lot for people here who cannot drive to Laconia and the Wellness Center gives scholarship to people. This Article passed.

Article 30. It was moved by Charley Hanson and seconded by Richard Drenkhahn to accept Beaverside Drive and Meadow Drive as Town Roads. (By petition). Mr. Hanson asked to amend the Article by adding to what is there with:

Acceptance of Beaverside Drive and Meadow Drive is contingent on the following conditions to be administered by the Board of Selectmen:

1. Current owner of the roads shall provide financial assurance in the form of a bond or equivalent financial instrument to pay for any damage to the roads due to construction of houses on the remaining lots in an amount to be determined by the Road Agent or licensed civil engineer.
2. Current owner shall provide a plan showing all metes and bounds of the right of way which the Town will be assuming ownership, and also provide a deed conveying ownership to the Town to be recorded at the Belknap County Registry of Deeds.

The amendment was seconded by Richard Drenkhahn. Mr. Hanson said that the reason for this is, the development has only a portion of the houses on the lots. The road is up to town specs, but the Selectmen want to address potential damage to the road through construction of the remaining houses. The second condition is administrative housekeeping. Eric Strapp said that the developer was given approval to build these roads, there were certain requirements that he had to fulfill before the Town would accept them and it seems that in the eleventh hour we are now at Town Meeting and we are going to make new rules for the acceptance of the roads that were built to the specifications that were given them. Mr. Hanson said that technically the Planning Board has no authority to grant Town ownership of a road to an individual. They can tell them how to build it. Mr. Strapp said that he didn't think that the Planning Board was accepting it; he thought that this group would accept it or not accept it. Mr. Strapp said that he thinks the amendment should be voted down. Bernie Volz said that he thought that roads aren't usually accepted until the development is complete and in this case the rules have changed a bit because this is happening before the development is complete. Mr. Volz said that the Town wants to be sure that if there is any damage to the roads during further development the Town doesn't have to do the repairs that the developer causes to the property. Mr. Volz said he thinks that this is a perfectly legitimate request

for the Town to have or that this motion could be tabled and wait until the development is sufficiently complete. Mr. Hanson said that this is a petitioned warrant article and if the Board is going to support this it would be with these conditions. If the conditions aren't there the Board would not recommend the article as it is. Elwin Norton asked Road Agent Jeff Haines if these two roads meet all the standards set forth. Mr. Haines answered, "Yes." The amendment passed. The Article as amended passed.

Article 31. It was moved by Richard Drenkhahn and seconded by Randy Mattson to repeal Article 15 passed by the 1989 Town Meeting, and adopt in its place the following: To place 25% of all future payments collected under RSA ch. 79-A:7, the Land Use Change Tax, in the Conservation Fund under RSA 36-A:5 III, and to confirm all prior deposits of the Land Use Change Tax to the Conservation Fund. Jessie Foley asked what the change is, what is happening to the money now and what will happen to it if it is changed. Richard Drenkhahn explained that in 1989 this Article was brought before Town Meeting and it was amended. The amendment itself created an illegal warrant article which made it something we could not act on any longer. Mr. Drenkhahn said that as soon as they learned of this illegal amendment the Board met with Town Counsel, spoke to Local Government Center Counsel, as well as the Town Auditor, and the Department of Revenue Administration. The Board felt that by doing this it would be correcting it to what is written in the RSA. Twenty-five percent of the funds that are collected from Land Use Change funds would be put into the Conservation Fund to be used by the Conservation Commission and the existing funds that are there could also be used by the Conservation Commission. Mrs. Foley said that it is her understanding that up to this point the money has been used to purchase land and that each time that has come up to a vote at Town Meeting. Mrs. Foley asked what the Conservation Committee would do with the funds and if it will still come up to Town Meeting for decision or is the money going to be given to the Conservation Committee to use as they determine to be best. Mr. Drenkhahn said that the Fund is still for the purpose of purchasing land, there are also other things that they can do such as funding the NRI (Natural Resource Inventory), and wetlands mapping projects. Mr. Drenkhahn said that it will work to purchase land; they will have to come before a public hearing, not Town Meeting, and it has to be approved at the public hearing as well as by the Selectboard. Jessie Foley asked if any expenditure will come before the Selectmen and a public hearing. Mr. Drenkhahn said, "Yes." Eric Strapp asked how much money is in the fund now. Maureen Criasia said as of the most current statement from the Meredith Village Savings Bank, \$325,000 has accrued in that fund since 1989. Eric Strapp said that given the amount of money it concerns him that it can be spent with the approval of the Selectboard without coming to Town Meeting. Mr. Drenkhahn said that it had been amended to be brought to Town Meeting but after consulting with all of the attorneys and the DRA (Department of Revenue Administration) it was no longer a valid argument. Randy Mattson explained that the State Statute says the authority to spend from the conservation fund is with the conservation commission. For the purchase of land or easements on land the system of checks and balances in place for the expenditure from that fund would be a public hearing, a 2/3 vote of the Conservation Commission and the approval of the Board of Selectmen. The Article passed.

Article 32. It was moved by Randy Mattson and seconded by Charley Hanson to authorize the Board of Selectmen to establish or amend fees as provided by RSA 41:9-a. Such a vote shall continue in effect until rescinded. Elwin Norton asked what the fees were. Charley Hanson said that it would be any fee that the Board of Selectmen has authority to change. This is housekeeping to make sure that the Board can do this legally. The vote was unanimously in favor.

Article 33. It was moved by Charley Hanson and seconded by David Schimke to allow a discount of two (2) percent on taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector. The Article passed.

Article 34. It was moved by Richard Drenkhahn and seconded by Randy Mattson to choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen. There were no agents or committees chosen and no reports given.

At this time Randy Mattson thanked everyone for coming out to vote today and for coming out tonight to participate in the democratic process. Ms. Mattson wanted to thank all of the employees of the Town of Center Harbor and the Department Heads for keeping us safe, well organized, and for all of the work that they do.

Patty Miller asked if the results of voting were available. Mr. Kimball read the results of the Town and School election.

Maureen Criasia wanted to thank the Board of Selectmen for the fantastic job that they do.

The Moderator, John Kimball II dissolved the 2009 Town Meeting at 9:20 P.M.

Respectfully submitted by,

A handwritten signature in cursive script, appearing to read "Shelia Nolan".

Town Clerk

STATE OF NEW HAMPSHIRE
TOWN OF CENTER HARBOR

TOWN WARRANT

To the inhabitants of the Town of Center Harbor in the County of Belknap in Said State,
Qualified to vote in Town Affairs:

You are hereby notified to meet at the Cary H. Mead Meeting Room in Said Center Harbor on Tuesday, the ninth day of March at ten of the clock in the morning until six of the clock in the evening to act upon Article 1. You are hereby notified to meet at the Fire Station in Said Center Harbor on Tuesday, the ninth day of March at seven thirty of the clock in the evening to act upon Articles 2 through 35.

Article 1-A. To choose all necessary Town and School Officers for the year ensuing.

Article 2. To see if the Town will vote to raise and appropriate the sum of \$1,359,457 for the construction and original equipping of a new Police Station, and to authorize the issuance of not more than \$1,300,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$59,457 from the Public Safety Facility Capital Reserve Fund created for this purpose. The Selectmen recommend this appropriation. (2/3 ballot vote required).

Article 3. To see if the Town will vote to raise and appropriate \$714,114 to defray the Town charges for the ensuing year. (\$689,628 appropriated in 2009).

Article 4. To see if the Town will vote to raise and appropriate \$20,000 to be placed in the existing Town Buildings Repairs and Maintenance Expendable Trust Fund for the purpose of repairing and maintaining municipally owned buildings. (\$50,000 appropriated in 2009). Recommended by the Selectmen.

Article 5. To see if the Town will vote to create an Expendable Trust Fund, under the provisions of RSA 31:19-a, to be known as the Energy Conservation & Improvements Expendable Trust Fund for the purpose of implementing the recommendations from the energy audit and future evaluations, as may be performed on municipally owned buildings and grounds and to raise and appropriate the sum of \$20,000 for this fund and to appoint the Selectmen as agents to expend from this fund. Recommended by the Selectmen. (Majority vote required).

Article 6. To see if the Town will vote to raise and appropriate the sum of \$25,000 for the purpose of digitally mapping the Town. Recommended by the Selectmen. (Majority vote required).

Article 7. To see if the Town will vote to raise and appropriate the sum of \$4,400 for the purpose of the perambulation of the Town's boundary lines. Recommended by the Selectmen. (Majority vote required).

Article 8. To see if the Town will vote to raise and appropriate the sum of \$500 for the purpose of supporting the Coalition Communities. Recommended by the Selectmen. (Majority vote required).

Article 9. To see if the Town will vote to raise and appropriate the sum of \$343,847 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$36,218 to be paid from State Highway Block Aid, the balance of \$307,629 to be raised by taxes. (\$355,272 appropriated in 2009).

Article 10. To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purpose of road surface management. (\$0 appropriated in 2009).

Article 11. To see if the Town will vote to raise and appropriate the sum of \$40,000 to be placed in the existing Capital Reserve Fund for the purpose of construction of a sand/salt storage shed. (\$100,000 appropriated in 2009). Recommended by the Selectmen.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$30,000 to be added to the Highway Department Truck or Equipment Capital Reserve Fund previously established (\$30,000 appropriated in 2009). Recommended by the Selectmen.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$249,787 for the operation of the Police Department. (\$248,665 appropriated in 2009).

Article 14. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be placed in the existing Capital Reserve Fund for the purpose of purchasing a fully equipped police cruiser. (\$20,000 appropriated in 2009). Recommended by the Selectmen.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$141,903 for the maintenance of the Center Harbor Fire Department. (\$138,899 appropriated in 2009).

Article 16. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in the existing Capital Reserve Fund for the purpose of purchasing a Fire Department engine or rescue vehicle. (\$20,000 appropriated in 2009). Recommended by the Selectmen.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be placed in the existing Capital Reserve Fund for the purpose of purchasing Self-Contained Breathing Apparatus (S.C.B.A.). (\$0 appropriated in 2009). Recommended by the Selectmen.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$1 to be placed in the existing Capital Reserve Fund for the purpose of design and construction of a Public Safety Facility. (\$25,000 appropriated in 2009). Recommended by the Selectmen.

Article 19. To see if the Town will vote to discontinue the Solid Waste Capital Reserve Fund created in 1978. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund to offset the cost of solid waste disposition in 2010.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$157,748 for the disposition of Solid Waste. \$21,309 to come from the closed Solid Waste Capital Reserve Fund, if article 19 passes. (\$165,104 appropriated in 2009).

Article 21. To see if the Town will vote to raise and appropriate the sum of \$81,721 for the operation of the James E. Nichols Memorial Library. (\$88,272 appropriated in 2009).

Article 22. To see if the Town will vote to raise and appropriate the sum of \$54,088 for the purpose of providing ambulance service to the Town. (\$54,468 appropriated in 2009).

Article 23. To see if the Town will vote to raise and appropriate the sum of \$56,250 for Parks and Recreation. (\$61,850 appropriated in 2009).

Article 24. To see if the Town will vote to establish a Recreation Revolving Fund pursuant to RSA 35-B:2 II. The money received from fees and charges for recreation park services and facilities shall be allowed to accumulate from year to year, and shall not be considered to be part of the Town's general fund unreserved fund balance. The Town Treasurer shall have custody of all monies in the fund, and shall pay out the same only upon order of the Board of Selectmen (no further Town Meeting approval required). These funds may be expended only for recreation purposes as stated in RSA 35-B and no expenditure shall be made in such a way as to require the expenditure of other town funds that have not been appropriated for that purpose.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$21,550 for Patriotic Purposes including Fourth of July activities. (\$20,630 appropriated in 2009).

Article 26. To see if the Town will vote to raise and appropriate the sum of \$9,200 for the Center Harbor Town Band Concerts. (\$9,721 appropriated in 2009).

Article 27. To see if the Town will vote to raise and appropriate the sum of \$25,000 for Direct Welfare. (\$14,000 appropriated in 2009).

Article 28. To see if the Town will vote to raise and appropriate the sum of \$1,750 for support of Emergency Management. (\$1,250 appropriated in 2009)

Article 29. To see if the Town will vote to raise and appropriate the sum of \$1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. (\$1,050 appropriated in 2009).

Article 30. To see if the Town will vote to raise and appropriate the sum of \$500 for the Centre Harbor Historical Society. (\$500 appropriated in 2009).

Article 31. To see if the Town will vote to raise and appropriate the sum of \$38,753 for the support of the following health and welfare agencies (\$38,252 appropriated in 2009):

<u>Agency</u>	<u>2010 Request</u>	<u>2009 Appropriation</u>
Meredith Public Health	\$12,201	\$12,201
Winnepesaukee Wellness Center	\$ 6,000	\$ 6,000
Community Action Program	\$ 8,400	\$ 8,400

Child & Family Services	\$ 3,500	\$ 3,500
Inter-Lakes Day Care	\$ 4,662	\$ 4,662
New Beginnings	\$ 1,000	\$ 1,000
American Red Cross	\$ 490	\$ 489
Genesis	\$ 1,500	\$ 1,500
CASA	\$ 500	\$ 500
Center Harbor Soup Kitchen	\$ 500	
Total	\$38,753	\$38,252

Article 32. To see if the Town will vote to permanently designate and commit to park use, imposing a charitable trust thereby, the southerly 90 feet of the Brooks parcel, so called being TM9, Lot 10, and all of the Bandstand parcel, TM 9, Lot 76. This article shall not be effective unless Article 2 is passed.

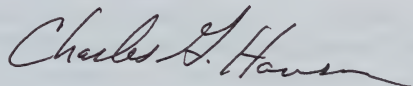

Article 33. To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House and the Senate President. Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines "marriage". By petition.

Article 34. To see if the Town will vote to allow a discount of two (2) percent on taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector.

Article 35. To choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen.

James E. Nichols Memorial Library

Librarians Report for 2009

Library Use. The Nichols Library enjoyed a busy and productive year in 2009. The Library recorded 15,162 circulations and 9,209 visits. It was the Library's busiest year since 2004. One hundred thirty eight new patrons got library cards during the year. A detailed breakdown of library circulation is given in the following table:

Adult	6,786
Youth	1,433
Audio-Visual	5,571
Inter-library	947
Other	<u>425</u>
Total Circulation	15,162

Circulation of Library Materials, 2009

In October, the Library Board of Trustees adopted a year-round schedule, rather than restricting hours during the winter season. It was determined that this could be done without adding additional staff hours. The year round schedule is MWF from 10am-6pm and TThS from 10am-1pm. Patron response from October through December was overwhelmingly positive, with circulation over 1000 materials for each of those months.

Patron Services. In partnership with Altrusa of Meredith, the Nichols Library began providing book delivery for shut-ins. Together, we delivered 131 titles to patrons in need. Our staff met other patron needs by answering reference questions, providing reader's advisory services, and supporting computer use. Service interactions for the year are detailed in the following table:

Reference/Book advisory	278
Computer/Technical help	134
Book Deliveries	<u>131</u>
Total	543
Computer Use	1,937
Wifi access	<u>491</u>
Total	2,428

Patron Service Interactions, 2009

167 guests used our computer workstations. Other patron services included our web page, jnml.wordpress.com, which provided announcements of library events, new book listings, and links to NH-supported research databases; monthly displays featuring different aspects of the collection, and our column in the Meredith News, which featured book reviews and other library news. Our audio book download program was discontinued. A new color laser printer was added in November.

Collection. The Library held 14,926 titles at the end of 2009. 870 new materials were added to the collection, 715 as purchases and 108 as gifts. Of these materials, 431 circulated 5 or more times. 84 of the new items circulated 15 or more times. 360 damaged, dated or infrequently used items were removed from the collection.

Materials Added		Adjusted Total Volumes	
Purchases	715	Total volumes, 12/31/08	14,416
Gifts	108	Net additions	<u>510</u>
Other barcodes	<u>47</u>	Total volumes, 12/31/09	14,926
Total new holdings	870		
Materials removed	<u>-360</u>		
Net materials added	510		

Collection Growth, 2009

Building and Grounds. Significant improvements were made this year to the Library building and grounds. A generous grant from The Meredith Rotary Club enabled the Library to install four outdoor benches, two trellises and plantings, which enhanced the appearance of the Library grounds. New outdoor light fixtures, approved at the end of 2009, were installed in January. The book drop received a badly needed painting and had a gravity bed installed, a job expertly done by Joe Price of Meredith. Library safety and security was enhanced by the purchase of a water fire extinguisher and the installation of a panic alarm. The rear door to the Library, badly worn by water damage, was replaced. Finally, the town approved funding for badly needed cleaning and repair of the library building's exterior, work to commence in the Spring of 2010.

Staff, Trustees, Volunteers and Donors. Librarian Jon Kinnaman received trainings in fire safety and risk management, sat on the Joint Loss Management Committee, attended meetings of the Reference and Adult Services Section (READS) of the NHLA, and participated in Scrooge and Marley Coop, where he served as DVD coordinator. Library Assistant Linda Belisle helped with collection maintenance, inter-library loan, reference/book advisory services, and kept our book displays up-to-date. Library Aide Kim Anderson helped at the circulation desk, helped with youth books selections and assisted with cataloging functions.

The Library's Board of Trustees continues to deserve special thanks for the many hours of service given to the Nichols Library. Chair Helen Heiner played a major role in library grounds projects. Treasurer Sarah Heath took a major role in overseeing building projects and chaired the policy committee. Jo Morse deserves special credit for researching the building exterior project, finding contractors and writing grants.

Finally, thanks are due to several persons who contributed to the well being of the Library over the past year. Jeff Haines and Bob Beem helped out with maintenance needs. The Meredith Village Savings Bank donated our pass to the Squam Lakes Science Center. We would also like to express our thanks to Carole Benoit, Fred Bowers, Doris Haddam, Susan Berking, Matthew Weatherbie and other patrons who provided gifts and material donations to the Library in 2009. Our Staff and Trustees look forward to continuing to serve the community of Center Harbor as we prepare to celebrate our 100th year in the James E. Nichols Memorial Library building.

Faithfully submitted,

Jon Kinnaman, Librarian

The Town of Center Harbor is under contract with Grzelak & Co. to be audited in 2010. The audit will be available in the Town Office upon completion.

2009 Center Harbor Planning Board Report

The sluggish economy continues to be evident, as the low level of activity at the Center Harbor Planning Board has now continued for four years. The Board approved only one subdivision and two boundary line adjustments in 2009.

The Paul Maggi Trust created eight new five plus acre building lots along the west side of Center Harbor Neck Road at the bottom of Saw Mill Hill. Boundary line adjustments among members of the Paquette family on Route 3 and the Caney and Mattson families on College Road were also approved.

Site plan review of the New Hampshire Music Festival 56 acre site at the corner of Route 25-B and College Road was completed. The approval allows the Music Festival to build a main music hall, a salon and lobby and support facilities. Also approved were lodging units for up to 18 bedrooms in existing buildings, the renovation of existing parking areas and roadways and the creation of new parking areas, walkways, outdoor public areas and roadways. The applicant will also make improvements to the intersection of Route 25B and College Road and to the sight line from that intersection looking south along Route 25B. The applicant will provide a bond to the Town prior to construction. It was agreed that any other development will require a new site plan review process.

The Board, with the help of Lakes Region Planning Commission is well into the update the Town's Master Plan, with hopes to complete it in 2010.

Respectfully submitted,

Lee W. Mattson, Chair

The Center Harbor Conservation Commission had a productive year in 2009. For the first time, the Commission participated in the purchase of land for conservation. Partnering with the Lakes Region Conservation Trust and the Squam Lakes Conservation Society, the CHCC worked to conserve a 245 acre forested tract of land belonging to the Herbert P. Dane Trust. Besides permanently protecting outstanding wildlife habitat and water quality, the purchase will provide public access to a network of hiking trails, wood roads and cross country ski trails with trailhead parking areas. This parcel of mixed second generation forest is linked with existing trail networks within the abutting 121 acre Pine Hill Conservation Area and the 47 acre Proctor Sanctuary. This purchase will increase the amount of conserved land within the town by 30%.

The Commission is also engaged with developing a Natural Resource Inventory for the town. This kind of inventory, besides being required by the State, is useful to the town in developing policy, informing land use decisions, and identifying areas for natural resource conservation and management. An NRI needs to be updated from time to time depending upon the growth of the community.

The CHCC is nearing completion of the Prime Wetlands designation for five separate wetland complexes within the town. This project has been underway for the last three years. The final submission and maps have been submitted to NHDES. We anticipate State approval shortly.

Any residents who would like to volunteer to preserve the rural nature of the town are encouraged to contact the Town or Bruce Bond at 279-6430 or bondbr@metrocast.net.

Annual Report

Center Harbor Fire Department 2009

In 2009 the Center Harbor Fire Department (CHFD) responded to 237 incidents including fires, medical emergencies, motor vehicle accidents, and service calls. This is a decrease over 2008. While this was a busy year calls during the summer were down considerably. The CHFD was able to accomplish many initiatives to improve the performance of the department as well as increase safety in Center Harbor.

The CHFD is currently comprised of 24 paid on-call employees. These are members who respond to calls by way of a tone pager from Lakes Region Mutual Fire Aid. The CHFD also has a Boy Scout Explorer youth program that is a joint initiative to recruit new members with the Towns of Meredith, Moultonborough, and Sandwich. This program gets younger people involved today with hopes of them becoming regular members in the future. CHFD members train regularly in fire, medical and hazardous material emergencies. 20 of our members are nationally certified firefighters. This represents more than two hundred hours of education by each of these firefighters. CHFD has 13 Emergency Medical Technicians (EMTs). We have 4 EMT-I s, which is advanced life support, with one member going to school to achieve the EMT- I level by mid winter. We have two members working on a two year program to move up to the paramedic level. These programs are a joint effort by the CHFD, the N.H. Fire Academy and the Lakes Region Community Technical College partnering to educate our Firefighters and medical personnel to the highest standards available to serve our community.

One major accomplishment in 2009 is the completion of the Hydrant system in the village area giving us the capability to pump water through out the village area, without closing the roads and having to lay thousands of feet of hose. This project was started in 1993. Draft Hydrants are being installed at the High Haith Bridge and at the Hawkins Pond Dam at low or no cost to the town. We have developed a water supply plan for fire protection for the entire town with help from the North Country Rural Development Council and the 911 mapping office.

Another improvement this year was that the communications room at Station 1 was renovated and modernized, stopping the water leaks into the room that contains all of our emergency communications center equipment. New siding and fresh stain on the front of the station should last for many years.

CHFD currently has two Class A Fire Engines that each carry 1000 gallons of water and have pumps capable of pumping 1250 gallons of water per minute. These engines are also able to pump water from any of the 6 Draft Hydrants or two cisterns that are located around town or from any lake or pond that is accessible. Both engines also have all the equipment needed to fight fires such as self contained breathing apparatus (SCBA) for entry into burning buildings and basic medical equipment.

In addition to the two fire engines, the CHFD has Rescue 1, which is a medium duty rescue truck that has a high-pressure fire pump and 300 gallons of water and foam. This unit is equipped with the medical equipment needed to respond to medical emergencies, including cardiac monitoring. It also carries rescue equipment for motor vehicle accidents including the “Jaws of Life”, a portable generator and pumps. It also serves as our forestry unit carrying basic forestry equipment as well as ice and water rescue equipment, such as an ice sled and several cold water immersion suits. We have backcountry mountain rescue equipment as well.

Rescue 2, which is a light/medium duty rescue truck that can handle basic medical calls and can be used as a rehabilitation unit on incidents where firefighters and citizens can be kept warm or cool as needed and basic medical care can be provided. This truck can be used in the event that we need to move elderly or disabled citizens to the Fire Station to shelter them. The rescue truck can be utilized as a command post on any fire/EMS/mass casualty/storm related incident. On motor vehicle accidents patients can be moved into this unit for assessment and preparation for transport. In the event that there are multiple patients or ambulances are not available for other reasons, this unit can be used as an ambulance to transport the patient to a hospital.

Due to the fact Center Harbor is a lake community the CHFD has two boats on trailers available to go to any lake or pond as needed. Boat 1 is equipped with a high-pressure fire pump that is removable and can be used from a dock or from the boat. It has basic medical gear and a floating-basket stretcher for carrying patients in the boat. Boat 2 is a smaller Zodiac-type inflatable boat that can go anywhere in shallow water and small ponds.

I wish to thank all the members of the CHFD who faithfully leave work and family to respond to emergency calls, the Center Harbor Selectmen for their efforts to work with the CHFD, and the citizens, taxpayers and visitors whose support makes our jobs easier and rewarding.

If you have any questions about the Center Harbor Fire Department, please feel free to contact us at 253-4451 or email at chfd5@metrocast.net.

John P. Schlemmer, Chief
Center Harbor Fire Department

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfli.org.

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

Center Harbor Police Department

2009 Town Report

Prior to writing this year's town report, I reviewed the first one I wrote for 2003. I wanted to see how things have changed since I first had the honor of leading the Center Harbor Police Department. In 2009, the Department handled a total of 1,982 calls for service. This included 811 requests for service, 1076 motor vehicle stops, 57 arrests and 38 motor vehicle accidents were investigated. In 2003 we had 552 requests for service. This means we have had a 46% increase in the request for service alone.

During this time we have not increased the number of employees, but have restructured internally. We now have the right people doing the right tasks and we are doing more with less. The Department staff is well trained and motivated to do the best job they can. You will not find a more dedicated, firm but compassionate, group of police professionals anywhere. The inefficiency we currently face is directly related to our lack of space and the time spent at our neighboring police departments handling the things that should be done here in town.

The numbers listed above help quantify what we do, but in no way speak to the level of service that is provided to the town. These numbers do not include the many calls that are handled via the telephone by the dispatch center or handled by State Police. If an incident occurs a number is assigned for documentation and tracking purposes. This matter could be handled in a few minutes or take weeks to investigate depending on its nature. It does not show the number of hours officers spend updating a victim of their case, counseling families in crisis or checking on an elderly resident. It does not show the thousands of security checks we do a year, on patrol, for businesses or property owners. There is no number assigned to the many Center Harbor citizens who come in to see us who are just looking for advice or for the time spent on the many committees that we serve on. I want to point this out not for recognition, but to show that all the members do whatever is needed to serve this community. I have been asked on more than one occasion why I do not do more press releases on events that occur in town. It is my experience that we are far more successful doing our investigations with a low key approach versus hyping it up. If there is something that people need to know to help protect themselves, or a suspect of a violent crime is on the loose, I will not hesitate to do a press release. I also do not find it necessary to put a person's name in the newspaper who we have talked out of committing suicide or arrested for a crime. This approach has probably hurt us sometimes when people have the belief that nothing ever happens in town. I prefer to protect the dignity of people who are at a low point in their lives or have just made a mistake from making a headline.

Naturally, the major topic of discussion this year has been the proposed police station. As your Police Chief, I am asking for your support. Although the need is painfully obvious if you were to visit our "police room" that we cannot continue to operate the way we do, I do not expect everyone to understand what the Police Department needs are. We are a small town, but still must handle evidence correctly, record interviews, and separate adults and juveniles according to the law. These are just a few examples of some of the basic requirements that must be adhered to whether you are a small or

large department. I am asking you to trust the people from the two separate appointed Center Harbor citizens committees, the Space Needs and Building Committee, who over a four year period have studied this issue carefully and come to the conclusion that it made to the most sense to create a new police facility. The Town of Center Harbor has a Highway Garage, Town Hall, Fire Station and Fire Sub-Station. There has never been an appropriate police facility.

No matter what happens this year of the following years your Police Department will continue to serve you to the best of its ability with the equipment and facility that you provide us.

Respectfully,

Chief Mark C. Chase

Center Harbor Building Committee Report

Since the first meeting of the Building Committee on July 17, 2008, there has been much headway made in the Police Facility project. The committee has worked hard on the charge it was given by the Board of Selectmen and has continued to have open public meetings twice a month with our minutes being available both on line and in the lobby at the Town Office.

The Police Department's space and facility inadequacies are not only apparent but have been documented as far back as 2002 when Municipal Resources Inc. did an assessment of the Police Department. In 2006 the Board of Selectmen appointed a Space Needs Committee with the charge of assessing all town space. The result determined that the Police Department was the most critical in need. The Selectmen then appointed a Building Committee with the charge of studying and developing a design to meet the needs of a department in desperate need of more space. Since then the Committee has spent many hours visiting other police facilities, evaluating potential building sites and establishing numerous lists of 'pros and cons'. Along with the assistance of professional Architect Gary Goudreau and suggestions from the Energy Committee an adequate design was developed.

On June 11, 2009 bids for a Construction Manager were received and Bonnette, Page and Stone of Laconia was awarded the bid. Keith McBey of BPS along with Gary Goudreau have both been involved in numerous police facility design and construction projects. This real world experience and knowledge joined with the local knowledge as provided by the Building Committee has culminated into this design.

After several meetings and public hearings, the residents expressed thoughts and concerns. As a result, the design was trimmed down and a second parking lot eliminated. The new design will meet the current and future needs of the Police Department. This design has the full endorsement of the Board of Selectmen and Library Trustees.

Thanks to dedicated residents, professionals, volunteers and local leaders this project has progressed to this final stage. The efforts of all are appreciated.

Respectfully submitted,

Peter Loudon – Co-Chair

Robert Chance – Co-Chair

Trevor Chase

Steve Condojani

Richard Drenkhahn – Selectmen Representative

Chief Mark Chase - Advisor

The Center Harbor Building Committee

2009 Center Harbor Energy Committee Report

In its second full year of service to the town, the Center Harbor Energy Committee (CHEC) has completed a *Comprehensive Level II Energy Analysis* of three town-owned buildings and is now seeking town approval to initiate implementation of the recommended energy-efficiency measures in 2010.

In early 2009, the Jordan Institute conducted a no-cost energy audit of town buildings that identified how several could benefit from energy-efficiency measures. CHEC then arranged for the Jordan Institute to perform a *Comprehensive Level II Energy Analysis* of the Municipal Building, Town Garage, and Town Library. Their report was delivered in late 2009 and confirmed that the Municipal Building and Town Garage have fairly poor energy efficiency when compared to similar structures.

The report further identified several no-cost to low-cost energy-saving initiatives, as well as twelve efficiency measures with varying costs and payback periods. The Energy Analysis findings and recommendations are currently being studied by CHEC and others so as to provide guidance to the selectmen and the town. It is expected that the completion of these initiatives will likely span several years depending on Town funding and as grants can be obtained to help fund specific projects.

Other accomplishments of CHEC in 2009:

- Developed and distributed an informative handout at Town Meeting and also posted the energy-saving tips on the CHEC website, www.realitychec.org.
- Supported the Dark Sky Initiative that Governor Lynch signed on July 15, 2009. See <http://www.gencourt.state.nh.us/legislation/2009/HB0585.html>.
- Obtained an inventory of town streetlights to consider alternatives for potential energy savings and determined there were no practical solutions considering the relatively few lights involved.
- Provided input on energy efficiency to the Building Committee regarding design of the new Police Station.
- Drafted a handout to be included with building permits that provides energy-efficiency recommendations for new construction and renovations.
- Maintained the CHEC website, <http://www.realitychec.org>.

Respectfully submitted,
Bernie Volz.

CENTER HARBOR
2009
PARKS & RECREATION

Dear Honorable Board of Selectmen:

It is with great honor I submit to you my first annual report for the Parks & Recreation Department. The Parks & Recreation Department was very active with many activities and events keeping the young and not so young busy and entertained.

Winter activities included "Snowshoeing at Chamberlain-Reynolds Forest" in January. The skating rink at the town park was very active. This year Easter Egg Hunt was a great success with over 200 children participating. The children were entertained by "Mr. Phil" doing amazing comedy magic. Pictures with the "Easter Bunny" and an Easter egg hunt with over 2000 eggs on the Town Offices lawn.

The yearly Memorial Day Parade was truly a great success, with a very large turnout by the community. Father Justin spoke about the sacrifice many men and woman of our Armed Forces have made over the years. Students of the Immaculate Conception Apostolic School took part in the ceremony in front of the James E. Nichols Memorial Library by doing readings of Flanders Field and the Gettysburg Address. Col. Ohnemus of the U.S.M.C also spoke along with Chairman Charley Hanson of the Board of Selectmen. During the ceremony we were treated with a flyover of a Blackhawk Helicopter from the United States Army.

The tennis courts on Route 25B was resealed, by Vermont Servicing Company. The ball field also on Rt. 25 had a lot of activity this year. The Girl's Softball Team from Inter-Lakes used it on a daily basis for practices and games. Also local youth and adult leagues used it extensively.

During Earth Day in April over 50 bags of litter was collected along Route 25B.

Local Government Center conducted an "Annual Safety Inspection" of our equipment and facilities. Several minor things needed to be corrected and it was so done.

The Town Boat Launch officially opened Memorial Day Weekend with attendants on duty on the weekends during the month of June. The Boat Launched with daily attendant service through July and August, up through Labor Day weekend.

On June 20 the Center Harbor Parks & Recreation Department conducting an Emergency Drill at the beach with the Lifeguards. This drill was in conjunction with members of the Center Harbor Fire and Police Departments, 911 and the Belknap County Sheriffs Department. The drill was a success and a great learning experience.

The Center Harbor Town Beach officially opened June 19th with lifeguard service and swim lessons. Maintenance was done at the Town Beach this year and included: painting the restrooms and the picnic tables. On July 17th there were over 200 people using the beach facilities at 1:00 PM. This was our busiest day at the beach.

The Parks & Recreation Department offered many exciting programs this summer, including: swimming lessons, tennis lessons, 3 on 3 basketball league, canoe and kayak lessons, lacrosse, volleyball, ladies boot camp, arts and crafts.

The 4th of July was a huge success even with on and off rain showers. The 31st Annual 4th of July Footrace was a huge success with over 600 participants. People of all ages participated in this annual event. Bess Hanson was Grand Marshall of the 4th of July Parade. Bess was honored for the many years of dedicated service to the community. The nightly entertainment was provided by Moose Mountain Jazz Band and the fireworks over the bay were once again provided by Atlas Pyro-Vision Productions of Jaffrey, NH.

Mr. Carlos Martinez once again did an outstanding job as Director of the Center Harbor Town Band. This was Carlo's third season as Town Band Director. We are very proud of Carlos and the efforts of the band participants. We also had other guest band appearances. They were sensational!

The beach officially closed and equipment packed up on Labor Day. The Annual Halloween Party took place on Saturday October 31st, with a great turnout.

In closing I would like to thank the dedicated Parks & Recreation Seasonal Staff, Center Harbor Fire Department, Police Department, Highway Department and the Staff of the Town Offices for assisting the Parks and Recreation Department in making 2009 a great success.

Respectfully Submitted,

Jonathan E. Dickerson

Center Harbor Town Band

The 2009 Center Harbor Town Band Summer Concert Series was a resounding success! This year's accomplishment was due to the following:

1. Increased size of the band
 - A) More instrumentalists signed up this year than in the previous two years.
 - 1) Forty-two band members this year as compared to thirty-one last year.
2. A better selection of concert repertoire
 - A) Due to the increase in the music purchasing line item.
 - B) Increased band members meant that we could play larger more varied musical works requiring bigger ensembles.
3. Larger attendance numbers
 - A) More people from surrounding towns are participating in the CHTB concerts.
 - B) During better weather days the crowd numbers increased dramatically.
4. Better quality of musicians to work with.
 - A) News of an exciting town band program has brought higher caliber players.
 - B) Musicians are being challenged and therefore more committed with the band program.
5. Outstanding help and support from the town selectmen, Jeff Haines and especially from the town office help: Janet, Sheila and most notably Robin.

Six concerts were scheduled including a 4th of July Parade, with three rehearsals for a total of ten group practice/performances. The first public presentation was the 4th of July Parade. This year due to the combination of the rain and the conflict that the 4th of July holiday was on a Saturday, band attendance was lacking. We did however win the "Most Musical" float for the parade! We are now the "award winning" CHTB! Thanks again to Charlie & Jen Hanson for providing their tractor trailer.

The six concerts were scheduled for the following dates:

- July 10 "America the Beautiful" *Americana music, marches, Armed Forces Salute etc...*
- July 17 "Swingin' to the Oldies" *Big band music, love songs, "good ol' days" selections!*
- July 24 "An Evening at the Pops" *Popular selections as performed by the Boston Pops!*
- July 31 "Broadway's Best" *Classical favorite's and much beloved hits from the stage.*
- August 7 "Movie Night" *Television and movie's best tunes and themes.*
- August 14 "Summer Favorites" *Audience favorites and popular tunes!*

There were two concerts held in the firehouse: July 17 and July 31 due to rain. Both concerts though were well attended.

The tradition of the "sing-along" was again a great hit. Songs were sung at every concert and were a particular favorite for audience members. Mr. Roger Kelley was there as usual waving his "Tiger Rag" flag to the enjoyment of all who attended. There were some who suggested that we have a soloist help the audience sing the lyrics for next season.

I have greatly enjoyed bringing wonderful music and entertainment to the town of Center Harbor and I look forward to another great year with the Center Harbor Town Band!

Respectfully submitted,

Carlos Martinez, Center Harbor 2009 Town Band Director

Centre Harbor Historical Society

2009 was a year of many accomplishments and we are looking forward to 2010 to also be one of growth. The society has a membership of 120 and is working toward expanding our museum, documenting out accessions, improving our outreach and upgrading our facilities. We always are looking for people that would like to join us in preserving our heritage for the future residents of our town.

The program schedule for 2009 was exceptional. Many times we had more visitors than members that experienced a wide variety of subjects concerning our local history. This coming year will also be outstanding for subject content. This year all of the programs will be held at the Schoolhouse Museum at 94 Dane Road.

The society has been working on storing our collection of artifacts on our computer. This is a long process and has taken a dedicated team of John Fiske, Kay Beij, Nancy Kelley, and Matt Stearns. We are also advancing our presence on the World Wide Web by introducing new features on our web site. Our hope is to entice people to visit our site often. At this time we have had over 1700 hits. You may visit the site at www.chhistory.com and share with us articles and information about Center Harbor's history.

In 2009, we held our annual Plant Sale with a resounding response; held an Antique Auto Show; replaced the Schoolhouse sign; and continued photographing all of our accessions. Our goal is to keep growing and improving our society for future citizens of Center Harbor.

The society thanks the town for its continued interest and support.

Seth Ira Stearns, President

2010 Meeting Dates

April 22	John Moulton	Local Farming in New Hampshire
May 27	Barbara Lauterbach	New Hampshire Foods
May 29	Plant Sale	7:00 am until sold out

*Executive Councilor
District One*

Report to the People of District One By: Executive Councilor Ray Burton

2009 was indeed the year of American Recovery and Reinvestment Act (ARRA)/Stimulus Funds in New Hampshire!

As of November 4, 2009, \$579,305,870.00 had been allocated in New Hampshire in nine areas: business/community; education; employment; energy; health; housing; safety; technology and transportation. Of that \$181,463,876.00 went to Council District One towns and cities and the counties of Belknap, Carroll, Coos, Grafton and Sullivan.

The ARRA money has enabled local, state and county government to work on projects that have been in process and planning for years. For a complete listing of these projects go to:
www.ed.state.nh.us/education/recovery/index.htm or write to my office.

Governor Lynch has now submitted the New Hampshire Transportation Plan to the New Hampshire House and Senate. Highways/bridges, rail, aviation and public projects are among the proposed recommendations. Contact your local State Senator and Legislator for details about what projects you believe to be key ones for your region.

As Councilor, I do not see new revenues being raised in New Hampshire State Government. With the decline in existing revenues leading to cut backs in services, only time will determine what the law making branch has in mind for new dollars. Keep in close touch with your local State Senator and Legislator to make sure costs are NOT passed on to county and local government.

The Governor and Council are required by law to fill dozens of boards and commissions with volunteers. If you are interested in serving, please send a letter of interest and your resume to Governor John Lynch, Attention: Jennifer Kuzma, Appointment Liaison, State House, 107 North Main Street, Concord, NH 03301 For the current list of what possible appointments might be coming up go to:
<http://www.sos.nh.gov/redbook/index.htm>.

There is a constant flow of informational items available at my office: tourist maps, consumer handbooks and the New Hampshire Constitution. Each Monday I send, via e-mail, the schedule of my weekly meetings and other information. Send me your e-mail to be added to the list at rburton@nh.gov or find the schedule on my State House web page at: <http://www.nh.gov/council/district1/schedules>.

Contact my office anytime I can be of help.

LAKES REGION PLANNING COMMISSION

103 Main Street, Suite #3
Meredith, NH 03253
tel (603) 279-8171
fax (603) 279-0200
www.lakesrpc.org

FOR TOWN ANNUAL REPORTS LAKES REGION PLANNING COMMISSION 2009

The Lakes Region continues to grow and evolve. As our economy and world change, so does the work we are engaged in. The Lakes Region Planning Commission (LRPC) is an organization established according to state law to provide area communities and the region with the capacity to respond to and shape the pressures of change in a purposeful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services including technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazard planning and economic development. Local, state, and federal resources primarily fund the LRPC. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and leadership to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the town of Center Harbor and the region in the past fiscal year are noted below:

LOCAL

- Met with municipal officials to discuss master plan and planning assistance.
- Provided assistance for the town's emergency operations planning grant application.
- Attended several planning board meetings to discuss a site plan application. Consulted with the Fire Chief to discuss safety concerns. Submitted a written report to the town.
- Initiated the preparation of a comprehensive update of the town's master plan.
- Prepared an energy presentation for the next Lakes Region Energy Alliance meeting and participated in a forest biomass webinar presented by the USDA.
- Provided copies of the NH Planning and Land Use Regulations to the town at considerable savings.

LAND USE

- Prepared master plans, capital improvement programs, local emergency operations plans, zoning ordinances, subdivision regulations, and related services for several communities.
- Maintained circuit rider planning services for municipalities interested in assistance with development proposals.
- Organized and facilitated a discussion on the development of local impact fee methodologies at the Pines Community Center in Northfield.
- Contributed to the preparation of the award winning Innovative Land Use (ILU) Guidance resource document and ILU Mapper.
- Received funding from the Pardoe Foundation to conduct Smart Growth Audits (SGA) for selected communities.

ALEXANDRIA • ALTON • ANDOVER • ASHLAND • BARNSTEAD • BELMONT • BRIDGEWATER • BRISTOL • CENTER HARBOR • DANBURY
EFFINGHAM • FRANKLIN • FREEDOM • GILFORD • GILMANTON • HEBRON • HILL • HOLDERNESS • LACONIA • MEREDITH • MOULTONBOROUGH
NEW HAMPTON • NORTHFIELD • OSSIPEE • SANBORNTON • SANDWICH • TAMWORTH • TILTON • TUFTONBORO • WOLFEBORO

- Organized and hosted three public Municipal Law Lectures, in cooperation with the NH Local Government Center: 1) Constitutional Issues in Land Use Regulations; 2) The Five Variance Criteria in the 21st Century; and 3) What Do You Do When They Stop Building? Vested Rights, Modified Approvals, Violations and Revocation.

TRANSPORTATION

- Conducted over 150 traffic and turning movement counts around the region.
- Attended and hosted the Governor's Advisory Commission on Intermodal Transportation (GACIT) meeting.
- Convened many meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development.
- Prepared a 2009 Transportation Improvement Plan (TIP) Process Guide for distribution to our communities. Submitted regional transportation priorities for consideration by the NH Department of Transportation (NHDOT).
- Completed the NH Route 28 Corridor Safety Study, and acquired best management skills using Road Surface Management Systems (RSMS) software.

PUBLIC FACILITIES GOAL:

- Modified and improved Community Facilities standard maps. Updated maps are posted to LRPC.

HOUSING

- Drafted a process to conduct a Workforce Housing Audit to help communities determine if their planning regulations and laws are in compliance with the Workforce Housing law.
- Contributed to statewide sessions and participated on housing needs assessment methods.
- Participated in workforce housing forums with the Work Here, Live Here Committee, and the Eastern Lakes Region Housing Coalition.

ECONOMIC DEVELOPMENT

- Continue to work with area economic development groups including Belknap County Economic Council (BCEDC), Grafton County Economic Development Council (GCEDC), Franklin Business and Industrial Development Corporation (FBDIC), and the Wentworth Economic Development Council (WEDCO).
- Completed the Lakes Region Comprehensive Economic Development Strategy (CEDS), A Plan for Sustainable Progress, and submitted it to the U.S. Economic Development Administration (EDA) for acceptance.
- Coordinated an Economics Day for Leadership Lakes Region and co-presented the Lakes Region Comprehensive Economic Development Strategy (CEDS) to attendees.
- Applied for and received a three year \$400,000 Brownfields grant from the U.S. Environmental Protection Agency (EPA). The funds will be used to conduct several site assessments and environmental site characterizations.
- Completed a Phase I Lakes Region Broadband Study to determine the extent and capacity of existing broadband service.
- Planned and facilitated the third Lakes Region Energy Alliance meeting. The Alliance is a consortium of local energy committees brought together to share ideas and activity.

- Completed the 2009 Development Trends Report and distributed it to all Lakes Region municipalities and many other stakeholders.

NATURAL RESOURCES

- Collaborated with other planning commissions to present water resources ordinances for the Regional Environmental Planning Program (REPP) at the Fall Planning Conference.
- Received a Source Water Protection Grant contract from the New Hampshire Department of Environmental Services (NHDES) to work with the Green Mountain Conservation Group (GMCG) and several municipalities on behalf of ground water protection in the Ossipee aquifer.
- Received a notice of award from the National Oceanic and Atmospheric Administration (NOAA) for additional Winnepesaukee watershed planning. Continue to work with several partners on the Lake Winnepesaukee Watershed Management Plan (LWWMP).
- Continue to represent the region at meetings of the Lakes Region Household Hazardous Product Facility to explore the ways and means the facility may encourage other communities to participate.
- Received support through the NH Department of Environmental Services (NHDES) and the federal American Recovery and Revitalization Act (ARRA) to continue work on the Pemigewasset Watershed Co-occurrence Model.
- Continue to organize and coordinate two annual Household Hazardous Waste (HHW) collections a year, involving 23 member communities.

UTILITY AND PUBIC SERVICE GOAL:

- Presented the lakesrpc.org/energy_website to partner groups, municipalities, and agencies throughout the state, as part of the Lakes Region Energy Alliance.

NATURAL HAZARDS

- Completed several Hazard Mitigation Plan (HMP) updates, and Local Emergency Operations Plans (LEOPs).

REGIONAL CONCERNS

- Convened six Commission meetings that featured a range of topics, ranging from the NH Rail Transit Authority, proposed legislation, Transportation Plans/Projects, NH Water Resources Primer and Survey, and a public hearing on the roles communities should have in regulating large ground water withdrawals.
- Met with the Legislative Policy Committee of the NH Association of Regional Planning Commission (NHARPC) to review and make recommendations on over 70 bills and legislative requests.
- Conducted outreach and provided assistance at the Geographic Information System (GIS) workshops offered in Laconia. Attended 2010 Census training.
- Met with PlusTimeNH staff to discuss the possibilities for learning opportunities for high school students in the region.
- Maintain and host LRPC's website, www.lakesrpc.org, for current regional planning activities and events.

Lakes Region Household Hazardous Waste Collection 2009 Annual Report

The 2009 Lakes Region Household Hazardous Waste (HHW) Collections were conducted in a safe and efficient manner on July 25, 2009 and August 1, 2009 at eight different locations. The event was coordinated by the Lakes Region Planning Commission (LRPC). 1,569 households participated in this annual collection; overall this represents 4.1% of the households in the twenty-three Lakes Region communities that participated in this year's HHW Collection. The percentage of households participating from individual communities ranged from less than 1% to more than 10%;

Over 19,000 gallons of HHW and nearly 30,000 feet of fluorescent bulbs were disposed of properly. Paint products continue to comprise nearly 50% of our cost of disposal.

This year's survey focused on outreach efforts by NH DES regarding the proper disposal of insecticides, and devices containing mercury (fluorescent tubes, bulbs, TVs, computer screens, and thermostats). When asked about the need for another permanent HHW facility in the region, responses were mixed, with great variation depending on the site. More than 60% of the respondents at the Belmont and Franklin sites felt there was a need for such a facility.

For the second consecutive year an Unwanted Medications Collection was held at the Gilford site in conjunction with the Lakes Region HHW Collection. It was open to all residents and homeowners in the participating Lakes Region communities; 65 households from six different communities participated. The costs associated with this were paid for by the Gilford Police Department and School District with funds from a two-year NH Dept. of Education grant. Next year's collection will be funded by the Gilford Drug and Alcohol Task Force.

The estimated cost per Lakes Region household was \$2.15. The cost to communities for 2010 will remain the same as it was for 2009. The next Household Hazardous Waste Collections will be held July 31, 2010 and August 7, 2010. All residents and property owners in participating communities are encouraged to take this opportunity to safely dispose of your household hazardous products. For more information check with your local coordinator or LRPC (http://www.lakesrpc.org/services_hhw.asp) for details.

**Re: 2010 Request for Town Funding
Amount Requested: \$3,500**

Town of Center Harbor
PO Box 140
Center Harbor, New Hampshire 03226

Thank-you, on behalf of the children and families we serve, for the generous support you have provided to Child and Family Services. Because of your continued support we have been able to maintain our tradition of providing effective, affordable services to low-income children and their families.

We are pleased to serve Center Harbor area children and their families through our office in Laconia as well as in the home, schools and community of Center Harbor. We were able to leverage the town of Center Harbor's allocation in the amount of \$3,500 to deliver a range of services valued at over \$46,000. In the 12 months ending June 30, 2009, we provided the following services:

SERVICES PROVIDED TO THE RESIDENTS OF CENTER HARBOR

Services	Individuals served July 2008– June 2009	Number of Hours or Days of Service Provided July 2008 – June 2009
Adolescent Substance Abuse Treatment	3	1
Family Counseling	2	3
Individual Service Options	6	130 (340 Days of Care)
Total (Unduplicated)	11	134(340 Days of Care)

The following are brief descriptions of the services provided to Center Harbor residents in the previous 12 months:

Adolescent Substance Abuse Treatment: Outpatient screening, assessment and counseling services for adolescents, and their families, who are experiencing problems of drug/alcohol abuse or dependence.

Family Counseling Licensed, therapist provide counseling services that utilize individual and family strengths to address a wide variety of problems including death, divorce, substance use, abuse and neglect, and other social and mental health issues. Counseling services strengthen the health of the community by assisting families in overcoming the debilitating problems that weaken the family structure and impede a child's healthy development. In addition to individual family work, throughout the year, clinicians offer group sessions and evening courses in the community to accommodate the needs of working parents.

Individual Service Options tailors a variety of therapeutic, social and community-based services to the specific needs of a child and his/her family endeavoring to create a safe, stable, positive home environment for each child. Specializes in foster care placement and foster care recruitment, training and support.

In addition to the above, the following services were available to the residents of Center Harbor.

Camp Spaulding A residential camp that provides a two-week camp experience to disadvantaged, at risk boys and girls ages 8- 14. Camp Spaulding is unique in its dedication to serving the needs of children from low and moderate- income families.

Child Health Support parent aids assist families who have abused or neglected children to help solve the problems that led to the abuse or neglect and to strengthen the family. Includes supervised visits between parents and children and practical help with parenting and household management.

Family Intervention Program provides in-home assessment, support and empowerment to NH Employment Program clients who have barriers to employment in order to help them become self-sufficient.

Family Support Programs Short term, home-based programs, which help at risk families learn parenting skills, home management and other things needed to effectively cope with the stresses of family life.

Fatherhood Project partnership between CFS and NH Department of Corrections to help incarcerated fathers to improve their parenting skills and prepare them for life with their family once they return to the community.

Group Home provides long-term residential care and emergency overnight shelter for youth between the ages of 13 and 19 who cannot live at home.

Integrated Home Based Services prevents recurrence of abuse, neglect and delinquency through provision of an integrated series of services designed to meet the specific family's needs.

Pregnancy Counseling and Adoption unbiased counseling for parents facing an unplanned pregnancy, adoption planning, domestic and international home studies and post adoption services for adoptive parents, their children and birthparents.

Tracking and Supervision helps prevent placement through provision of community based family counseling, intensive supervision, and support to CHINS or delinquent youth and their families.

Transitional Living Program Safe, stable housing & support services provided to homeless youth age 18 – 21. Each participant develops a plan to acquire the skills and resources necessary to live independently within 12 – 18 months.

There is no doubt that the level of need for these services is significant. Our continued ability to meet the needs of Center Harbor residents through these programs and services is dependent on the financial support we receive from a range of sources, including this very important allocation from the town of Center Harbor, other towns in the county as well as individual and corporate donors. This year we are requesting town funding in the amount of \$3,500, the same amount granted last year.

We know that New Hampshire towns, like Child and Family Services, continue to face financial challenges. We are both being asked to do more with fewer resources. That is why your support is even more important than in the past. We need your help in order to continue to offer high quality and cost effective services to the people of Center Harbor and to attract other donors so that Center Harbor citizens have access to all the programs and services available through Child and Family Services. By supporting our work in your community, you are saving money in your Human Services budget.

As always, we are happy to have someone from the staff attend a meeting of your committee to discuss our work in the community in more detail. Please contact me at 518-4130 to arrange this or for further information. We appreciate your consideration of our request and look forward to partnering with you in serving the needs of Center Harbor children and families in the coming year.

Sincerely,

A handwritten signature in black ink, appearing to read "Ruth B. Zax".

Ruth B. Zax, CFRE
Development Director

MEREDITH PUBLIC HEALTH NURSING ASSOCIATION

Meredith Public Health Nursing Association, (MPHNA), is a non-profit home care agency serving Meredith and Center Harbor. Our highly skilled, licensed, and professional staff provides nursing, rehabilitation therapies, personal care through nursing assistants, homemaker and senior companion services within the home. Founded in 1923, MPHNA is Medicare/Medicaid certified, and licensed by the State of New Hampshire.

While many of our clients have Medicare or private insurance to cover their home care costs there is an increasing number of people who do not have any insurance coverage. A part of our mission statement at MPHNA states we will provide home care services based on client need, not ability to pay. Our annual fund drive and Center Harbor's community support enables us to continue to meet our mission for each of you.

This year we held multiple seasonal flu clinics at our main office, in the Carey Mead room, and several area businesses in addition to being sure our homebound clients also received them. 400 seasonal flu vaccines were distributed. We collaborated with other public health partners to provide the H1N1 flu vaccine to Center Harbor residents, families, and students. We are active members of local emergency preparedness committees working to keep Center Harbor well prepared for any public health threats.

MPHNA provides a free Blood Pressure clinic in the Carey Mead room the first Monday of each month at 11 a.m. This day and time have changed in an attempt to better serve the residents of Center Harbor. We provide office hours twice each day at our Meredith office for those Center Harbor residents who are not homebound but require some limited skilled nursing care. We also have a senior companion volunteer program providing friendly visitors to Center Harbor residents.

Our Board of Directors include, Phyllis Hamblet President; Thomas Pryor, Vice-President; Jean Greenlaw, Secretary; Janis Roberts, Treasurer; Frances Secord, Asst Treasurer; Virginia Stephens, Richard Harlow, Max Jenness, Edward Touhey, and James Wallace.

MPHNA provided 657 visits/services to Center Harbor residents in 2009. Of those, 156 were Nursing, 248 were Physical/Occupational Therapy, 188 were for personal care and 47 were visits to our office.

Memorial gifts were received in memory of: Kathy Abelli, Rebecca Anderson, Gregory Batchelder, Donna Bilodeau, Hazel Carr, Barbara Clymer, Daniel Cooley, Russell Dunn, Archer "Phil" French, Leon Garneau, Barbara Harding, Bradley Hatch, Caro Hatch, Harold "Bud" Hines, Adeline Homer, Marjorie Knott, Harry Lamb, Charles Lane, Janet Lorenze, Anne Mealey, Albert Moore, Harry Plummer, Marie Rich, Lt Col Stephen Robbins, Peter Ruel, Leonard Sabella, Barbara Smyth, Shirley Stevens, Richard Stevens, and Lewis Woodaman.

All of us at **Meredith Public Health Nursing Association** are grateful to the residents of Center Harbor for their ongoing and strong support of this home care agency and its mission to this town.

Pamela C. Fortin RN MPH
Executive Director

American Red Cross

Granite Chapter

September 2009

Randy Mattson
Chair, Board of Selectmen
Town of Center Harbor
PO Box 140
36 Main Street
Center Harbor, NH 03226

Dear Mr. Mattson,

Please accept this letter as a request for funds in the upcoming fiscal year for the American Red Cross in the amount of \$490 (\$0.45 per capita for the 2008 Center Harbor population of 1089).

The Granite Chapter now serves about two-thirds of New Hampshire, including central and northern communities. Chapter staff and volunteers provide support and relief after a disaster; emergency preparedness training; courses in health and safety; blood drives; volunteer and youth leadership opportunities; and aid to military families. I have enclosed a brochure with additional information about the work of the Granite Chapter; our Annual Report is available upon request.

In fiscal year 2009*, your Red Cross chapter has been active in and around Center Harbor.

- Red Cross trained volunteers make up the chapter's **Lakes Region Disaster Action Team**, which responds to disasters day or night in Center Harbor and surrounding towns. In all, the Granite Chapter has seven Disaster Action Teams with over 100 specially trained volunteers. The other teams are based in Concord, Plymouth, Berlin, Littleton, Mount Washington Valley, and Colebrook, and travel to meet the disaster needs in any of our towns.
- Fortunately there were no home fires or other local disasters last year in Center Harbor that required Red Cross assistance. In all last year, our disaster volunteers responded to **119 disasters**, helping a total of **313 people**, including 109 children, in 44 towns. 80 percent of the local disasters were residential fires. Disaster teams were also on the scene of the July Tornado and the Ashland Floods in August. During the December Ice Storm, the Chapter operated 15 Red Cross emergency shelters round the clock, and worked with communities at another 30 emergency shelters.
- **569 Licensed Nurse Assistants** entered the healthcare field last year because of the training and/or testing through the Chapter's LNA training program. One of the LNA students came from Center Harbor.

* Fiscal Year 2009: July 1, 2008 – June 30, 2009

Continued →

- The Red Cross is there to help the Armed Forces personnel and their families in times of crisis. Last year this chapter responded to **118 cases** for assistance to military families.
- Last year, **14,732 Health and Safety classes** trained **1,604 participants** at the chapter office in Concord and communities throughout our jurisdiction. Red Cross classes include CPR, First Aid, use of AEDs, Babysitter Training, Safe on My Own (for ages 8-11), Pet First Aid and more. Last year in Center Harbor, Red Cross-authorized instructors taught a class on life-saving skills. We are always glad to arrange for Red Cross classes in Center Harbor with an enrollment of six or more participants.
- **Two blood drives** were held in Center Harbor last year. Caring and generous donors gave 123 units of life-saving blood. Last year in all the towns that we serve, there were - **313 blood drives** where donors gave a total of **15,813 units of the "gift of life."** NH hospitals depend on the American Red Cross for their blood supplies.

All Red Cross assistance is free to disaster victims. The Granite Chapter is a non-profit organization that receives no annual federal funding. We depend on generous donations of time and money from the American people to support our services. An appropriation from Center Harbor would help to the Granite Chapter continue to train and prepare people for emergencies, and respond swiftly and effectively in times of crisis.

Based on two years of data, the average support provided to disaster victims is about \$1300 per case. Municipal contributions are one part of our diversified funding sources. We ask all 110 towns in our area for a contribution based on the same rate per capita. Last year we received funding from a generous 32 percent of our towns.

Volunteers and staff of this chapter look forward to serving the residents of Center Harbor in the next fiscal year. Thank you for your consideration of this request to support the humanitarian work of the American Red Cross.

Please feel free to contact me if you need any other information (603-225-6697 x226). I or my representative would be glad to meet with you.

Sincerely,

Maria White
NH Regional Executive Director

Encl.

Domestic Violence Support Line: 1.866.644.3574

Sexual Violence Support Line: 1.800.277.5570

January 12, 2010

Office of Selectmen
Town of Center Harbor
PO Box 140
Center Harbor NH 03226

Dear Selectmen:

On behalf of New Beginnings – A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 2009 allocation, of **One Thousand Dollars (\$1,000.00)**, has enabled us to continue to provide 24-hour crisis support, outreach, and assistance to victims/survivors of sexual, domestic, and stalking violence in Center Harbor. We are able to provide more educational programs in Center Harbor Schools.

As 1 of 14 programs of the NH Coalition Against Domestic and Sexual Violence, a statewide network of independent member programs, we are committed to ending sexual, domestic, and stalking violence.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides 24-hour hospital and police accompaniment, and provides advocacy at courts, hospitals, police stations, and social service agencies. New Beginnings offers peer support groups and peer counseling for victims/survivors (women, children, and men) of sexual, domestic, and stalking violence. We run community systems and school based education programs throughout Belknap County. Our advocates and staff were in Belknap County courts each working day this budget year. New Beginnings volunteers donated over **23,973** service hours. All services are provided free of charge.

We are long standing members of the Family Violence Prevention Council, a task force initiated by the NH Governor's Commission to take a stand against sexual, domestic, and stalking violence in our communities.

This year we are requesting the Selectmen to recommend our inclusion in the **2009 budget process for 2010**. We are requesting **\$1,000.00** from the Town of Center Harbor to continue the support of our programs.

If you should have any questions or need further information, please call 528-6511.

Sincerely,

Kathy Keller

RE: Inter-Lakes Day Care Center, Inc.

Dear Sirs:

On behalf of the Board of Directors of the Inter-Lakes Day Care Center, Inc., I am requesting that an article be placed on the Town Warrant and that the line item be put in the Town Budget "to see if the Town will vote to raise and appropriate the sum of \$4662.00 to maintain and continue the system of services of the Inter-Lakes Day Care Center."

These funds enable us to offer financial assistance to at-risk or employed families who are income eligible up to 250% of the New Hampshire Poverty guidelines. The money helps those single working parents who cannot afford to pay for services. The amount of \$4662.00 pays for less than two-thirds of the annual tuition for one toddler. During the fiscal year 2009, Inter-Lakes Day Care Center provided services to 6 children from the Town of Center Harbor, or 6% of its yearly enrollment of 106 children.

Very Truly Yours,

Constance C. Pelletier
Executive Director

CCP/lp

**Winnepesaukee Wellness Center
78 Whittier Highway, #4, Moultonboro, NH 03254
PO Box 184, Center Harbor, NH 03226**

January 6, 2010

Town of Center Harbor
Town Hall
Center Harbor, NH 03226

This letter is to request support of the Winnepesaukee Wellness Center from the Town of Center Harbor for the year 2010. The citizens and town officials have contributed to the success of the Center since the program opened in January 2000, and we are most grateful for the support. In the past year 13% of the members are residents of Center Harbor who benefit from the services offered at the Center. The center recently moved to a site on Whittier Highway to improve access for our members.

The Center is a self-supporting department of Lakes Region General Hospital and depends on the support of surrounding towns and fundraisers to keep the member fees affordable for the members of the community. Financial assistance is also available to those who qualify and your town support makes this possible.

We ask that the Town of Center Harbor continue to support the Center for 2010. In the past the town has contributed \$6,000 but we would appreciate any amount to help support our efforts to continue this program for area residents.

On behalf of the men and women of the Winnepesaukee Wellness Center, I wish to express our appreciation of your support.

Sincerely,

Jannine Sutcliffe RN, BS
Coordinator

January 13, 2010

To the Residents of Center Harbor:

Thank You for Supporting Genesis Behavioral Health!

The appropriation that we received from the Town of Center Harbor's 2009 budget has helped us to cover the costs of providing emergency mental health care to residents of your town.

During Fiscal Year 2009 (ending June 30, 2009), a total of **15 Center Harbor residents** came to Genesis Behavioral Health seeking help for their mental health problems. Their ages break down as follows:

Age Range	Number of Clients
Ages 1 – 17	7
Ages 18 – 59	8
Age 60 and over	0
<i>Total</i>	15

The mission of Genesis Behavioral Health is to provide direct services that enhance the emotional and mental health of our communities. Our staff is accountable for placing individuals on the path to recovery from mental illness and aiding them in their daily lives throughout the process.

We specialize in individual and group counseling and psychiatric services. We work with our most persistently ill patients on basic life skills such as public interaction and stable employment. We help parents and children to foster strong family relationships. Working with local police and fire departments, we provide emergency services 24 hours a day, 7 days a week, to residents of any age who are going through a mental health crisis. We provide emotional support to the community in the wake of a tragic event.

Funding from the Town of Center Harbor has helped to support our work with children, families and adults. The services provided by Genesis Behavioral Health help improve the quality of life for so many, and yet are rarely covered by insurance plans or state programs. On behalf of all of the individuals we serve, we thank you.

Sincerely,

A handwritten signature in cursive script that reads "Margaret M. Pritchard".

Margaret M. Pritchard
Executive Director

Children (0 to 17 years)	7	\$0.00
Adults (18 to 59 years)	8	\$2,329.73
Elder (60 + years)	0	\$0.00
Total	15	\$2,329.73

What is a Mental Health Emergency?

A mental health emergency is a sudden change in the mental status of an individual due to a one time event or as the result of a pre-existing mental illness. Events causing a mental health emergency can include loss of job, divorce, natural disaster, or the sudden loss of a loved one. Symptoms of a mental health emergency can include, but are not limited to:

- Suicidal/homicidal thoughts
- Feelings of desperation/anxiety
- Delusional thoughts

A mental health emergency can occur at any time to anyone regardless of age, gender, or class.

What are Emergency Services?

Emergency Services (ES) are mandated by the State of New Hampshire to be provided by each community mental health center, including Genesis Behavioral Health, under He-M 426.08 and RSA 135-c. These services include access to Master's level clinicians and psychiatrists by individuals, schools, police and others, twenty-four hours per day, seven days per week. The goal of all ES clinicians is to reduce the individual's acute psychiatric symptoms, reduce risk of harm to self and others and assist in returning the individual to pre-crisis level functioning. Modes of delivery for Emergency Services include:

- 24-hour Emergency Hotline
- Crisis Stabilization
- Mobile Crisis Response
- Assessments and Evaluation
- Voluntary and Involuntary Hospitalization

Emergency Services are often the gateway into critical mental health treatment for individuals who may not have been previously engaged in services.

How does the Town of Center Harbor benefit? Why should we invest in Emergency Services?

To the average person, a mental health emergency is not a familiar concept. In fact, we only get a glimpse of it when something happens that affects our community: an individual takes several volunteers hostage at a political office, a woman shoots and kills her husband and herself, another sets fire to several buildings. The role of the Genesis Emergency Services team is not simply to work with the individual in crisis, but to work with the community after it, in ways such as meeting with emergency responders as they cope with a difficult case or with school children as they mourn the loss of a classmate.

An investment by the Town of Center Harbor, when combined with those of other communities, will assist our Emergency Services team as they work to expand their services and awareness of those services within our community. It will help to offset the cost of staffing this program 8,760 hours a year. It will provide an added safety net for *all* residents of Center Harbor, not just those utilizing the service. It will provide much needed support to overextended police and fire personnel.

Town of Center Harbor Allocation in Fiscal Year 2009

\$1,500.00

Genesis Request for Allocation in Fiscal Year 2010

\$1,500.00

Neighbors Helping Neighbors!

Established 11 years ago, Center Harbor, Meredith and Moultonborough Community Caregivers Inc., a nonprofit volunteer organization, has made a difference in the lives of hundreds of our neighbors. Our volunteers provide supportive services and information for our neighbors to assist them in their daily lives. There is no charge for services. We receive no government funding and rely solely on charitable giving.

Community Caregivers volunteers provide services such as: transportation in their own vehicles, friendly visits and phone calls, home chores, errands, occasional meals, office support, respite for long-term family caregivers, and information and resource referrals. This support fosters independence and improves the quality of life for many of your neighbors.

Although many neighbors using our services are older adults and the frail elderly, we are committed to lending a helping hand to families and individuals regardless of age. 2009 was our busiest year ever. We completed more than 1,000+ services requests. In the past year 169 neighbors received services provided by our team of dedicated caring volunteers who drove 30,000+ miles in their own vehicles to meet these needs.

The Volunteer Education Program is active in recruiting and conducting our education sessions. Volunteers experience the rewards of sharing their time and talents, and enrich their lives through community service. They tell us that this is the most rewarding volunteer work they have ever done. Our neighbors tell us that the Community Caregivers volunteers make a significant impact in their daily lives by helping them to remain in their homes. Think about joining this dynamic team and making a difference in the lives of your neighbors.

Fostering a genuine spirit of giving, lending a helping hand to those in need, improving the quality of life in our community, promoting respect and compassion, Community Caregivers will be there for you and your loved ones.

Chairman, Board of Selectmen
Town of Center Harbor
PO Box 140
Center Harbor, NH 03226

Dear Chairman Mattson,

Please accept our sincere thanks for your generous support of Court Appointed Special Advocates (CASA) of NH. With financial assistance last year from the Town of Center Harbor and many other towns across the state, 480 CASA volunteers served 1,202 abused and neglected children. We value your partnership and respectfully request your consideration for continued funding in your 2010 budget.

Specifically in Belknap County last year, 47 cases were open in Family Court, involving 82 abused and neglected children. Working closely with a skilled staff member, CASA volunteers help ensure that children's needs are met and services are provided to facilitate safe reunification with biological families when possible. In cases where reunification cannot take place, the CASA volunteer works to secure another safe and permanent home for that child.

In addition to CASA volunteers, there are people supporting and caring for this vulnerable population living, working and being educated right in your community. Not only are CASA volunteers committing their time and resources to make a difference, but foster parents and extended family members are providing a home for children who can not be cared for by their biological parents. Help us help these children as well.

We respectfully request consideration for inclusion in your 2010 budget in the amount of \$500. Collectively we can begin to break the cycle of abuse and help to ensure these children eventually become independent, healthy contributing adult members of the Town of Center Harbor and many others across the State of New Hampshire.

For additional information feel free to contact me at 626-4600 or visit our web site at www.casanh.org.

Sincerely,

Marcia R. Sink, President and CEO

Center Harbor Soup Kitchen

November 1, 2009

Dear Sir or Madam –

At this time, The Center Harbor Soup Kitchen would like to request consideration for funding in the amount of \$500.00 from the Town of Center Harbor for the upcoming fiscal year.

Many Lakes Region residents do not realize how many of our neighbors are struggling to feed themselves and their families. With our economy in recession and food costs skyrocketing, food insecurity is a daily reality for our local children, their parents...and their grandparents. The mission of the CHSK is straightforward: To provide needy children, seniors and families with a weekly evening meal that's hot, nutritious...and free.

Located in Congregational Church in Center Harbor since it's opening in February of 2009, the CHSK has served over 1000 meals to those in need from the neighboring towns of Meredith, Moultonborough, Tuftonboro, Laconia, Wakefield, Tamworth and Sandwich, as well as Center Harbor. Every Tuesday evening, our doors open from 5:30 – 6:30pm with an average of 35-45 diners, and these numbers are growing as the weather becomes colder.

To date, the CHSK has been funded entirely by private and business donations. As a newly registered non-profit organization with 501(c)3 tax-exempt status, we are looking to receive town funds to help support this important community service. These funds are being sought from the towns of Center Harbor, Meredith and Moultonborough and together with other fundraising events and donations, we hope to raise at least \$7000.00 to support our annual budget. All CHSK funds are applied directly toward our mission, as we are operated entirely by volunteers.

We appreciate your consideration of our request for town funding – we need your help to reach out to those in need. With your support, the Center Harbor Soup Kitchen will continue to fight hunger by serving the residents of the Lakes Region.

If you have any questions or concerns, please contact CHSK co-chairs Michelle Taft (253-8858) or Kathryn Small (569-7913).

Respectfully-

Michelle Taft
CHSK Co-Chair

Kathryn Small
CHSK Co-Chair
